PRESIDENT'S NOTES

We have been very busy over the last 3 months! We finally found our new inventory system and it was graciously purchased by an anonymous member! We are almost done tagging all items for sale in the gallery! This system will help us to keep track of the inventory of our artists better, as well in the future we can potentially expand to online sales for our amazing artists!

As soon as the gallery project is complete we will be turning our efforts to completing some of the projects in the museums!

If anyone would like to be involved in planning or carrying out plans for either the museum or gallery, please let us know!

~SIDNEY GALLERY PRESENTS~

April's show will be a transformation of our old holly tree that once stood in front of the gallery. The Olympic Peninsula Woodturners have transformed the wood into new works of art and will be displaying their works throughout the month. They are planning a lovely reception to meet and greet **Sunday April 14th from 1-4**. Come on down and see what they have created!

May This show is one of Sidney Gallery's biggest. The Helen Norris Show runs through May and is a great showcase of artists both local and from beyond! Anna Hoey, a well known local artist, will be our judge. The winners in each class will be part of the Winner's Circle Show next year. Categories include drawing, oils/acrylics, photography, mixed media, 3D mixed media, and watercolor. The reception is **Saturday, May 11th from 1-4**, should be an amazing show!

June- The Judge's Show- Anna Hoey has a Master of Arts degree in Drawing and Painting and a BA in Art Education. She is the owner of a private studio where she creates fine art in several different media including pencil (graphite and colored pencil), watercolor, oil paint, acrylics, gouache, inks, and pastels. Please join us for a reception and to meet the artist on **Sunday June 9th, from 1 to 4 pm**.

~Denise Mahoney Art Class~

Denise Mahoney will hold this class on white line print-making on Saturday, May 18th, from 9 am to 3 pm. Call the Gallery for details and to make a reservation.

~Roy Lowry Art Class~

You must reserve a place in each class by contacting the gallery during open hours at 360-876-3693. Leave your name, phone # and class you are interested in.

Roy Lowry is teaching watercolor all day 10-4 on **April 13th**. We will do two pieces. The cost is \$55.00 and includes everything needed except lunch. He's a wonderful teacher for all levels of ability. This is a popular class and space is limited.

Olympic Peninsula Woodturners

The Olympic Peninsula Woodturners, or OPCA, is a woodturning club of about 130 active members based in Bremerton. Its primary focus is promoting the art and craft of woodturning and providing education for the membership. Once a month the club joins together to socialize, display their wares in a Show and Tell, swap pieces of wood through a wood auction that benefits the club and supports the fourth leg of their activities - a demonstration. A local or regional expert turner will give a presentation on some aspect of woodturning, be it basic techniques or advanced ideas in finishing or embellishing. The club is always open to guests and new members and invites any interested party to join them.

On April 2nd running through April 24th the Sidney Gallery will be hosting a show of items turned on a lathe by members of the club. Some of the work will be "Sidney Holly" and other species of wood. This will be a unique show for the Sidney so come join us and meet the wood turners at our reception from 1:00pm to 4:00pm Sunday April 14th. Awards will be presented at the reception and will be judged by Stephen Hatcher one of the premier woodturners in Washington.

Gallery/ Museum updates

There have been some changes at the Gallery/ Sidney Museum lately! The check-out counter is now in the opposite corner and some of the display cases have been moved. In the museum upstairs we have plans for filling the spaces left behind by removal of the benches along the walls. There are many options– Masonic items, artist Peter Storseth murals, and a vintage Myhre's display. Any ideas?

We also are looking into having some later hours. Maybe open until 6 pm? Any input from our members is very welcome. Please call to leave a message 360-876-3693

At the Log Cabin

The Log Cabin Museum is looking forward to the Summer opening day weekend May 4th and 5th. The Orchard family is now in the year 1919. The community is recovering from the Great War and women are focusing on the suffrage movement. Although the 19th Amendment will not be adopted until 1920, women's suffrage was very much in the news.

The March student art show was a great success! Many of the students sold their work. South Kitsap Artists provided prizes which will hopefully further inspire these wonderful young artists! It is wonderful to see the upcoming talent! Many kudos to the students, their teachers and mentors!!! Well done!
